

Dance for Cultural Fest

1. Research dance from the 1950's and 1960's.
2. Create a short presentation (Prezi preferred) that shows us the most popular dances and tries to explain the style of dance from a historical perspective (what is it about the values, beliefs, and events of this time period that lead to their dancing this way instead of say break dancing?).
3. Demonstrate or teach the class one of the dances you researched.
