

## Food for Cultural Fest

### Directions:

1. Research food trends from the 1950's and 1960's.
2. Create a Pinterest board that shows us the most popular food of each period.
3. Write a report that tries to explain the dining trends from a historical perspective (what is it about the values, beliefs, and events of this time period that lead to their food this way instead of say French cuisine?).
4. Cook/bake something inspired by this time period and bring it to class.
